

A scenic view of a large green lawn with trees and a forested hill in the background. The foreground is dominated by the dark, leafy branches of a tree on the right. The lawn is bright green and dotted with small white flowers. In the middle ground, there are several trees, a wooden bench, and a few people sitting. In the background, a large, light-colored building is visible, and beyond that, a dense forest covers a hillside under a clear blue sky.

# Copyright and Printing Instruction

## Copyright

The above photo may be copied and printed out as many times as you wish providing the following terms are met.

1. No changes are to be made to it and the copyright owner must be clearly seen on every copy whether it is in a frame or not.
2. It may not be sold for profit although you may make a small charge to cover your costs in making prints.
3. It may not be uploaded onto any website without written permission.

## Printing Instructions

The above photo is A4 in size. After printing out you will need to trim off the white borders. The final size should be approximately  $9 \frac{7}{8}$  inches (25 centimetres) by  $7 \frac{3}{4}$  inches (19.5 centimetres). Setting your printer to print this photo out as borderless will not work with this PDF File, although you will get a slightly bigger print.

To print it out I would suggest that you use proper photo paper (which can be purchase at most stationers shops), and set you printer to high resolution.

When printing out please make sure that you have the photo page showing on your Adobe Reader and select print current page to avoid printing out this page also (unless of course you wish to print this page).
