

A large, vibrant green park with a well-maintained lawn. In the background, a dense forest covers a hillside under a clear blue sky. A large tree with green leaves is in the upper right foreground. A soccer goal is visible on the left side of the field. A few people are scattered across the grass. A dog is sitting on a paved path in the bottom left corner.

1. No changes are to be made to it and the copyright owner must be clearly seen on every copy whether it is in a frame or not.

## Printing Instructions

The above photo is A4 in size. After printing out you will need to trim off the white borders. The final size should be approximately  $9 \frac{7}{8}$  inches (25 centimetres) by  $7 \frac{3}{4}$  inches (19.5 centimetres). Setting your printer to print this photo out as borderless will not work with this PDF File, although you will get a slightly bigger print.

To print it out I would suggest that you use proper photo paper (which can be purchase at most stationers shops), and set your printer to high resolution.

When printing out please make sure that you have the photo page showing on your Adobe Reader and select print current page to avoid printing out this page also (unless of course you wish to print this page).
