
Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.

Printing Instructions

The above photo is A4 in size. After printing out you will need to trim off the white boarders. The final size should be approximately 9 $^{7}/_{8}$ inches (25 centimetres) by 7 $^{3}/_{4}$ inches (19.5 centimetres). Setting your printer to print this photo out as borderless will not work with this PDF File, although you will get a slightly bigger print.

To print it out I would suggest that you use proper photo paper (which can be purchase at most stationers shops), and set your printer to high resolution.

When printing out please make sure that you have the photo page showing on your Adobe Reader and select print current page to avoid printing out this page also (unless of course you wish to print this page).
